## A WORD FROM... MUSIC DIRECTOR - MARIAH SNOW

Dear Church Family,

As we enter a new year, I pause to thank God for how He has carried us all.

As we all reflect on the year behind us, I'm sure that we can see evidence of God's faithfulness woven into every season. Even in difficult moments, He was working for our good. There were moments when the road was uncertain, yet God never wavered. He gave us strength when we were tired and courage when we felt unsure. He provided new paths when we needed them most.

The beginning of a new year invites us to lift our eyes and look ahead with hope. Be strong and courageous, be faithful. God will be present.

The year ahead will likely include moments that stretch us, but God never asks us to walk alone. God only asks us to trust step by step. What lies ahead is not limited by what we have seen before or even what we can imagine, and isn't that wonderful. God is already at work plotting a way for us; to "prosper us".

This year I will be praying for God's vision for us as individuals and as a church. I hope that you'll join me in praying and listening carefully for God's guidance.

Let's step into a brand new year with hearts full of gratitude. Each new season carries fresh opportunities for growth, healing, and renewed purpose. I'm grateful to be here with you!

In God's service and yours,  
Mariah Snow

### Love is Love Pride Fest

**Love is Love Pride Fest** returns this February as one of the most anticipated celebrations of the year. And in 2026, it carries even greater meaning as part of **Volusia Pride's 10th anniversary**.

This free, all-ages community festival brings together LGBTQ+ community members, allies, families, artists, performers, nonprofits, and local businesses for a day rooted in joy, visibility, and connection. Pride Fest is more than a celebration, it is a living expression of what it means to belong.

The Love is Love Pride Fest has served as a visible reminder that our community is here, vibrant, and worthy of celebration. In a time when LGBTQ+ lives and identities continue to be politicized, Pride Fest remains a powerful act of visibility, resistance, and collective joy.
