## A WORD FROM THE PASTOR

Hello Beach Street Church Family,

The weather is shifting to warmer temps, kids are getting out of school, and summer is well on its way. Everybody hanging in there? Drop your BSC family a note and let us know how you are and what your summer looks like.

Throughout the summer we will continue to dive into core undergirding ideas of our faith. Y'all hanging in there?? The content has been super rich, so no pressure if it's not all hitting at once. We would be glad to send over any slides or videos to revisit the material. Let us know what you think of the non-dual thinking, the particular in the universal, and diving deep into our spiritual development. We'll keep the deep dive going with stages of spiritual development and more unpacking what we believe about our faith.

Also underway amongst our community is the pursuing of a large grant from Lilly Foundation. If received it will give us the opportunity to grow large scale programs to engage our larger community in cultivating peace in their hearts and lives as Jesus taught. "Blessed are the peacemakers." Please add your prayers to ours for this grant to reimagine Missing Peace and the good it can do in our community.

On a personal note, I want to thank you all deeply for the extra care and support with the passing of my Father. Your calls, notes, and stepping up to fill in, has been such a gift. What an amazing community we are part of! It reminds me of Margaret Meade's quote "Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it's the only thing that ever has." The kind of love you have shown is world changing.

Grace and peace, *Rev. Katy*
