A WORD FROM THE PASTOR

Happy Summer Y'all!

It's the dog days of summer, but there is so much to look forward to! Last month the Session gathered and planned out the next year with lots of fun, fellowship, and faith. The big takeaways were to be an authentic community practicing acceptance around who we are and how we will live, love, and lead into the future. Read on for more about monthly opportunities to experience the dynamic worship (think more live music, worship in the park, and engaging sermon series), boundless hospitality (hosting events to gather the beloved), unconditional love (through service and care efforts) and inclusive community (tending to those among us most in need of love and acceptance). Included you'll find a calendar of events that reflects these values and dreams.

Just a few days later the Staff got together and talked through strategies to continue to execute the dreams and hopes of the Session. We are growing our social media presence, expanding our musical repertoire, streamlining our audio visual set up, and planning for the future sustainability and growth of our community.

There is a lot coming up this Fall to get excited about, and we hope you'll participate in as much as you can. We also hope these opportunities, events, and services will foster invitations to new friends, neighbors, and guests. We want to continue to both reflect and absorb the life, teaching, and way of Christ as our identity statement says.

Stay tuned friends, you're not going to want to miss a thing. Follow us on Social Media, check your email for updates, attend events, and stay in touch if you're missing any of the fun.

Grace and peace, *Rev. Katy*
