A WORD FROM THE PASTOR

It's Fall Y'all!

Hello dear BSC-FPC family.

We are working our way well into Fall and are excited about all that's coming up. There are guest preacher features, picnics, special thanksgiving baskets...and that's all before we get to the cooler temps that make us say "This is why we live here!"

Please pay special attention to the calendar so you don't miss any of the fun, and let us know if you have questions. We are here to help! Make sure to check out the article on Stewardship. Its the time of the year when we dream about what we will do and who we will be in the year ahead. Your contributions, commitments, and collaboration makes it all possible.

Inside is also a sneak peak of our advent study. (Can you believe advent begins next month?!?!)

This will give you a chance to preorder the book and follow along. The worship services and themes will revolve around those in "Advent Can Still Change the World" by Josh Scott, but there is more good stuff in there than we can preach any given Sunday. So grab yourself a copy and join the adventure.

Grace and peace dear ones,

Rev. Katy

UPCOMING EVENTS

It's Stewardship Season

Stewardship is defined as the job of supervising or taking care of something. Scripture invites us to be “good stewards” saying “good stewardship is to be faithful to what God has entrusted to you.” (1 Corinthians 4:2) For us at Beach Street Church, it is how we keep connecting, serving, and sharing the love of God. As we say in our identity statement: through dynamic worship, boundless hospitality and unconditional love! Both for those who come into our shared space, but also for our neighborhood and the thousands of folks we reach online. To do this, we need qualified and exceptional staff, a place to gather, lunches to give, and other support systems that keep our community going.

It is also our policy at Beach Street Church that we don't pass a plate each week. This is intentional as we don't want to create a culture of judgement or guilt around who is or isn't putting something in each week.

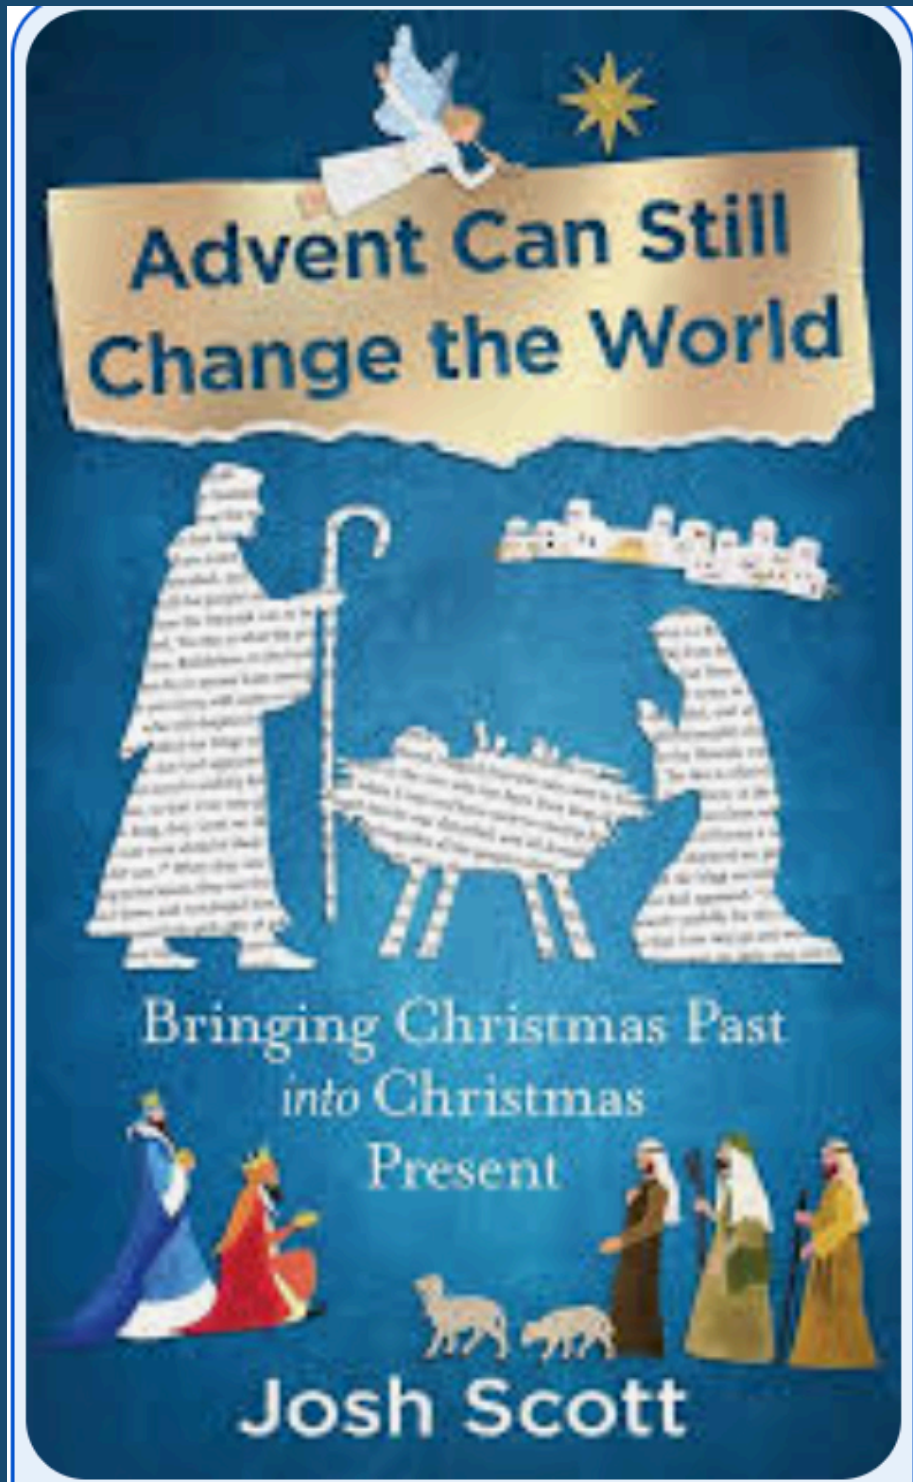

And so, once each year, we reach out and ask, “How will each of us be good stewards of our community?” How will you contribute your time, your finances, your gifts to keep this inclusive and loving community happening. Please take a few moments to scan the code or click the link attached and let us know. This info helps us plan our events, budgets, staffing, etc for the coming year. [Click here for digital pledge card](#)

This ask comes with no judgment, criticism or pressure, but instead a loving invitation to be part of this dynamic experiment in being church. We hope to hear from you...no matter what you can or cannot give and share this year.

Thank you...sincerely, we are so grateful for each one who reads this note, participates, and contributes.
